

MACTAC TRAINING

MULTIPLE ASSAULT COUNTER-TERRORISM ACTION CAPABILITIES

ARE YOU PREPARED FOR MULTIPLE ATTACKS IN YOUR COMMUNITY?

This five-day course will improve an agency's ability to coordinate tactical and lifesaving response operations during a complex multi-assault event. Attendees will learn to form multiple contact teams designed to locate, move to and stop violent or terrorist acts.

CONCEPTS COVERED:

- **Contact team maneuvers**
- **Reading terrain**
- **4 A's: Assess, Announce, Assemble and Act in field situations**
- **Planning and leading in MACTAC operations**
- **Managing department resources and personnel in the transition to post-investigative activities**
